Meet Freehold's Art Subject Leader

Miss Langley:

More about me ...

Hi,
I am Miss Langley and I am leading Art this year at Freehold. I have been at Freehold for 20 years. I have always had a love for Art. I am currently in Year 2. Through Art, I love developing children's creativity, skills and knowledge through different types of media.

My aims for the subject:

This will be my second year leading Art at Freehold. As a school we have always valued Art as a way of allowing children to be creative, explore work of others artists and to learn different skills and techniques.
Last year, for our Art offer we used the Kapow curriculum. This will help strengthen our children's knowledge and understanding of arts and crafts from other cultures, the past and a range of well-known artists.
The curriculum and vocab we teach follows a progression from Nursery to Year 6, where beginning they journey in Early Years exploring and experimenting with a range of media and materials and move through school, building on their vocabulary, knowledge of artists, skills and techniques and understanding of a range of media.
My aim is to is for our children to have the opportunity to develop their talents and interests in a creative subject and build upon a repertoire of skills and techniques. I want to extend open up the children minds and let them aspire and have opportunities in this creative subject.

The most recent training that I have attended:

- ✓ The Kapow Primary Teaching Resources
- ✓ Joining an Art Community through Focus Trust.
- ✓ External consultant support and coaching.
- ✓ Keep up to date with the Art Curriculum and any updates.
- ✓ Look at recent research about Art.
